BOTTOM MOUNT REFRIGERATORS AND FREEZERS

VICTORY

MERCHANDISERS

Combining elegance and function, these display refrigerators and freezers make a dramatic impact in front-of-the-house applications.

With their stylish design, glass door front and customizable color options, Victory's bottom-mount display models are perfect for high-end restaurants, corporate dining and universities alike.

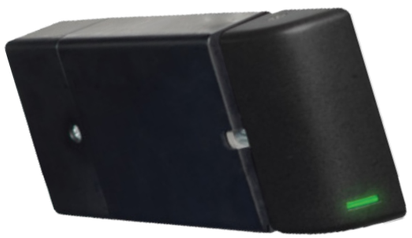
With modern looks, functions and features, these display models bring refrigeration to the front-of-the-house.

MERCHANDISERS

WITH ELECTRONIC SMART IQ LOCK

IQ LOCK KEY FEAUTURES

- NAMA certified, UL & NSF compliant
- Secures temperature-sensitive products for worry-free operation
- Automatically locks when power loss or temperature drop is sensed
- LED indicator to quickly view status; Flashes to indicate if protection event occurs
- Easy-access test switch for health inspectors
- Built-in safety feature allows escape in case of accidental lock-in



Keeps unattended merchandisers secure in your micro-market, B&I or unmanned location.
