

For your craft, THE CHOICE IS CRYSTAL CLEAR.

CrystalCraft™ is a clear, individually formed, one-inch ice cube, designed to melt slowly and let your handcrafted creations shine.

USP0100A-161

Featuring a sleek, compact design, that also produces up to **100 pounds per day** and stores 38 pounds, this undercounter unit is the perfect solution for the most discriminating of operations.

Because it's designed with fewer moving parts and backed by Manitowoc's **three-year parts and labor warranty**, you can be confident in your investment.

One-touch cleaning makes life easier for busy operators and owners.
