Made in America

Federal, Synonymous For Delivering Quality, Reliability, & Customization.

All of our products are rigorously tested for performance durability and reliability. Our certified on premise, state of the art testing laboratories ensure that our Federal Signature demands are met, making our products the finest in today's market.

The Leader In Fresh Food Merchandising.

For more than 90 years, Federal Industries' hallmark stands for precision craftsmanship and industry leading innovation for fresh foods merchandising display cases. Looking for a single refrigerated bakery case, hot/ cold deli lineup, or a complete custom merchandiser display system? From refrigerated, non-refrigerated, hot cases and self-serve merchandisers our design experts will shape a signature look for your store to showcase your products and maximize return on your investment.

Our Signature line of displays are customizable to your specifications. Federal's display cases provide unsurpassed reliability and performance that can be customized with innovative accessories that perfectly complement any setting you envision. Various case heights, tailored facings, mirrored doors, mirrored ends, and special light effects – whatever it takes to define your presentation style, Federal will meet or exceed your expectations.

Manufactured in the heart of the Midwest in Belleville, Wisconsin, Federal Industries' display and specialty cases are quality built with pride and backed by excellence.

Federal Industries invites you to experience our Italian Glass line of signature products.
