

Silicone Blade Scrapers and Spoon Scrapers new

A new addition to the Hell's Tools® line with the same heat defying characteristics and unsurpassed kitchen performance. Ideal for use in prep or the stove top, these utensils are as durable as the number of different applications they are good for.

- > Stain and odor resistant silicone blade is rated to 500°F/260°C.
- > Ergonomic, strong, and high heat-resistant specially formulated nylon handle.
- > Flexible silicone blades create excellent contact with sides of bowls, pots, pans and will not scratch.
- > Raised kick stand is molded into the underside of blades, keeping blade off work surface when not in use.
- > Integral hook on handle end prevents scraper from sliding into bowls, pots and pans.
- > Convenient hanging hole.
