

MILLENNIA[®] PIZZA CUTTERS

The wheel reinvented. Only a knife company would design a pizza cutter to perform like a fine piece of cutlery.

- > High-carbon steel blade.
- > Precision ground, razor sharp edge to cut effortlessly through pizza and flatbread.
- > Ultra-smooth mechanism for faster and easier cutting.
- > Ergonomic handle molded from Santoprene[®] and polypropylene for slip-resistance and comfort.
- > Textured finger points and finger guard for safety.
- > Replaceable blade for lower long term cost.
